COVID-19 Testing Sites in Lewis County – *Information accurate as of January 8, 2021.*

- Most primary care physicians can now do testing. People looking for testing should call their own doctor first.
- If that is not an option, there are currently 10 testing locations in Lewis County.
- **Not all are open to the general public.** Check the Testing Details column below before going to any testing site.

Call testing site first to see if you can be tested there, costs, and which type(s) of tests it can perform.
