

COVID-19 Testing Sites in Lewis County

Information accurate as of July 23, 2020

Most primary care physicians can now do testing. People looking for testing should call their own doctor first.

If that is not an option, there are currently eight testing locations in Lewis County. Not all are open to the general public. It is always a good idea to call before going to a testing site.

Testing Site/Location	Testing Hours	Testing Details
Arbor Health Morton Clinic 531 Adams Ave. Morton 360-496-5145	M-F 7:30 am – noon 1 – 5 pm	Tests only their own patients.
